

A Luncheon that Will Change Your Life...

## *Younger Again Now!* Create the Life of Your Dreams by Ending the Battle Within

**You are the star of your own life story, but it is easy to lose focus and clarity.**

Verlaine Crawford will motivate you to break through the barriers of your past conditioning and lift your spirits.

**Transform the way you view yourself and your world.**

### **Achieving Authentic Success...**

**Younger Again Now will help you to:**

- ◆ Release stress and renew your energy.
- ◆ Feel revitalized and heal on a cellular level.
- ◆ Renew your enthusiasm & confidence.
- ◆ Create your hopes, dreams and desires.
- ◆ Take the next step in your business & personal life.
- ◆ Feel younger (at any age) in body, mind and spirit!

In this interactive, motivational seminar, you will recapture the feeling of youthful vitality by clearly identifying your strengths and abilities. You will reactivate forgotten dreams and create the life scenario that you desire.

Verlaine will help you to integrate opposing beliefs within you, so that you can end the battle within yourself, and thus create a more harmonious life, filled with joy and abundance.

**SATURDAY, JUNE 23, 2007**

**Verlaine Crawford**

Author, Speaker, Consultant

**Verlaine Crawford** has traveled the world speaking and leading seminars in Japan, Australia, Hong Kong, Bali, Europe, and the across the U.S. She studied International Relations and psychology at UCLA served as consultant to corporate executives, celebrities, and entrepreneurs and to a wide variety of organizations from small start-ups to Fortune 500 companies. Books authored by Verlaine include: *Ending the Battle Within*, *Daughter of God*, and *A Planetary Vision*. She is publishing *Younger Again Now!*

**From Louise Hay:** "We all know how hard it is to change our negative patterns, mainly because we don't know what it is inside of us that really needs changing. Verlaine has come up with a simple but most effective way of learning who really dwells within us. This will be the most fun growth experience you will ever have." – Louise Hay, author of *You Can Heal Your Life*.
